## ABOUT THE WINE

We want Bantam to be fresh and lively, so our focus in winemaking is simple, cool fermentation and blending that highlights the best elements of the four grapes in the wine: Kerner, Muller Thurgau, Muscat and Pinot Auxerrois.

## TASTING NOTES

The wine has an intriguing blend of exotic fruit, apricot and cotton candy on the nose. It is a refreshing, lighter bodied wine, with fresh acidity and stone fruit flavours, and a viscous mouthfeel with a zesty lime finish that lingers in the mouth.

## FOOD PAIRINGS

Bantam is a great patio sipper and a great match for a casual meal with friends.

## ABOUT THE WINERY

Red Rooster Winery is located above Okanagan Lake on the Naramata Bench, just north of Penticton. This area is famous for its southwestern exposure and unique microclimate.

Our winery was originally located north of our current location, where we released our first wines from the 1997 vintage. The current winery was opened in June 2004. The tasting room and gallery displays local artists' work throughout the year.

And why a rooster? Because the winery's founders kept Rodiseland Reds in Switzerland; because roosters are good luck symbols in many cultures; and because roosters have a long association with wine (for example, the rooster is the symbol of the Chianti region of Italy).
