VQA**

Alcohol 13.5%

Residual Sugar 15 g/l

Product No. +498832

UPC 6-81246-00603-4

## ABOUT THE WINE

The grapes for our Gewürztraminer come from several vineyards in the south Okanagan. This Gewürztraminer had very little skin contact and was fermented in stainless steel at low temperatures to extract the true varietal character of the grapes.

## TASTING NOTES

Our aromatic Gewürztraminer is perfumed with rose water and green apple aromas. On the palate it is an integrated blend of floral, apple and tropical fruit elements, spiced up with pink grapefruit and citrus rind that follow through on the finish.

## FOOD PAIRINGS

Enjoy it with pad Thai, butter chicken or fresh fruit.

## ABOUT THE WINERY

Red Rooster Winery is located above Okanagan Lake on the Naramata Bench, just north of Penticton. This area is famous for its southwestern exposure and unique microclimate.

Our winery was originally located north of our current location, where we released our first wines from the 1997 vintage. The current winery was opened in June 2004. The tasting room and gallery displays local artists' work throughout the year.

And why a rooster? Because the winery's founders kept Rodiseland Reds in Switzerland; because roosters are good luck symbols in many cultures; and because roosters have a long association with wine (for example, the rooster is the symbol of the Chianti region of Italy).
