### ABOUT THE WINE

The grapes for our Pinot Blanc come from several different vineyards in the south Okanagan. Gentle treatment of the grapes and cold soaking the pressed wine on the skins to extract extra flavour and texture are key to this wine's character.

### TASTING NOTES

Our 2006 Pinot Blanc shows lovely aromas of melon, pear, green apple and citrus. It has a round, creamy palate with flavours of melon and spice and wraps up with a refreshing, light acidity balanced with a hint of residual sugar.

### FOOD PAIRINGS

This wine pairs particularly nicely with simply-prepared shellfish, seafood bisques and chicken salad.

### ABOUT THE WINERY

Red Rooster Winery is located above Okanagan Lake on the Naramata Bench, just north of Penticton. This area is famous for its southwestern exposure and unique microclimate.

Our winery was originally located north of our current location, where we released our first wines from the 1997 vintage. The current winery was opened in June 2004. The tasting room and gallery displays local artists' work throughout the year.

And why a rooster? Because the winery's founders kept Rodiseland Reds in Switzerland; because roosters are good luck symbols in many cultures; and because roosters have a long association with wine (for example, the rooster is the symbol of the Chianti region of Italy).
