PINOT GRIS

## ABOUT THE WINERY

Red Rooster Winery is located above Okanagan Lake on the Naramata Bench, just north of Penticton. This area is famous for its southwestern exposure and unique microclimate.

Our home is a winery that brings together the craft of winemaking, a love of local (and sometimes offbeat) art and a taste for delicious seasonal food.

## ABOUT THE WINE

The Summer of 2008 was cooler than usual resulting in a slow start to the grape growing season, however, fantastic growing conditions in the Fall allowed for great flavour development in the grapes. Picked in late October, our 2008 Pinot Gris was whole cluster pressed to extract aroma and flavour components and cool fermented in stainless steel to preserve the character and the freshness of the fruit.

## TASTING NOTES

Lemon yellow in colour with a pretty aroma of honeydew melon, juicy peach, star fruit and white pepper. A medium-bodied slightly rich wine with flavours of pear, peach and melon with an added zip of lemon and lime. Refreshing citrus notes linger on the finish.

## FOOD PAIRINGS

Serve chilled at 11°C to 13°C with white fish baked with mushrooms; pan-fried scallops; light cream sauces on pasta and seafood; roasted chicken with summer squash.
