

ABOUT THE WINERY

Red Rooster Winery is located above Okanagan Lake on the Naramata Bench, just north of Penticton. This area is famous for its southwestern exposure and unique microclimate.

Our home is a winery that brings together the craft of winemaking, a love of local (and sometimes offbeat) art and a taste for delicious seasonal foods.

ABOUT THE WINE

Hand-picked from Inkameep Vineyard near the town of Oliver in the Okanagan Valley on October 17. The grapes were whole cluster pressed to extract aroma and flavour components and cool fermented in stainless steel. Production of 2600 cases.

TASTING NOTES

A brilliant straw yellow colour with aromas of tropical fruit, suggesting pineapple and papaya, along with peach, banana and floral notes. This off-dry, medium-bodied Riesling has lots of juicy tangerine and orange zip that awakens the palate (better to have been awakened by Riesling then by a Rooster), while splashes of pineapple and mango fruit flavours, and a touch of site specific minerality add that extra boost of interest. The sweet citrus fruit flavours linger on the finish. Enjoy while young and fresh.

FOOD PAIRINGS

Pair with citrus glazed salmon, light curry dishes, fish and chips, pan-fried fish filets, spicy Dungeness crab cakes, summer salads with light vinaigrettes, and pork loin with sautéed apples.
