ABOUT THE WINERY

Red Rooster Winery is located above Okanagan Lake on the Naramata Bench, just north of Penticton. This area is famous for its southwestern exposure and unique microclimate.

Our home is a winery that brings together the craft of winemaking, a love of local (and sometimes offbeat) art and a taste for delicious seasonal food.

ABOUT THE WINE

The grapes for our Cabernet Merlot come from several vineyards in the south Okanagan. The wine was tank fermented and aged for ten months in French and American oak barrels.

TASTING NOTES

Garnet colour with a bouquet of blue plum, black cherry, smoke, spice, oak and red licorice. A medium to full-bodied wine with drying yet velvety tannins. Flavours of juicy red and black currants, blackberries and spice develop on the palate. Currants and spice linger through on the drying finish.

FOOD PAIRINGS

Serve with 2 year old Canadian cheddar; grilled lamb chops; grilled steaks; Portobello mushroom burgers; peppercorn pâté.
